

## Eng Kong 50 Years Anniversary Cocktail Reception 2025

We recently celebrated a milestone close to our hearts — Eng Kong's 50th Anniversary, held at The Shangri-La Tower Ballroom. It was an evening filled with laughter, joy, and meaningful connections with friends, both old and new. As we took a beautiful trip down memory lane, we reflected on the relationships, stories, and moments that have shaped who we are today.

From savouring delicious canapés to networking over drinks, it was truly a night to remember. We're deeply grateful for everyone's unwavering support and partnership over the years and we look forward to the next 50 years of growth and success together with Eng Kong!
