No. 61 Tuas South Street 5, Singapore 637382

No. 15 Tuas Avenue 11, Singapore 639081

This adjustment is implemented in response to the continued volatility in global energy markets and the significant increase in diesel prices arising from recent geopolitical developments.

While we have made every effort to absorb the rising operational costs, the current fuel price levels have necessitated this temporary adjustment to ensure the continuity and reliability of our operations.

We appreciate your understanding and continued support.
