Chinese New Year visit to Outram Community Hospital

We kicked off our first CSR event of 2026 with the patients at Outram Community Hospital, marking a meaningful and heartwarming start to the year.

We were joined by an incredible group of volunteers who brought energy, enthusiasm and compassion to the event. The afternoon was filled with laughter as we played bingo and enjoyed a sing-along session featuring everyone’s favourite Chinese New Year songs. Of course, 财神爷 God of Fortune also made a special appearance, spreading blessings and distributing oranges to symbolise good health and prosperity for the year ahead.

A heartfelt thank you to the dedicated staff and volunteers at Outram Community Hospital for partnering with us and supporting the event so seamlessly. We truly appreciate your collaboration and the opportunity to engage with your patients in such a meaningful way. Starting the year with purpose, partnership and community reminds us why these moments matter.

We look forward to many more initiatives together in 2026.
